DEPARTMENT OF CIVIL ENGINEERING

VISION

Civil Department strives to educate students to become industry-ready engineers having professional attitudes and groomed personalities.

MISSION

- M1 To provide a well-defined system to ensure quality education by strengthening teaching-learning processes through innovative practices.
- M2 To provide a platform where students are exposed to the industry, unbridged with the industry standards and requirements.
- M3 To train students by teaching them leadership and teamwork skills.
- M4 To groom students enriching their personality and social values.
