INDEPENDENCE DAY CELEBRATION

The nation is celebrating its 78th Independence Day and as true Indians, our hearts should be filled with joy and pride for our nation. We should be thankful and privileged to have been born on a land with a cultural diversity and unity which gives us strength and pride to boast about being the largest democracy in the world. 15th August 1947 reminds us of all the sacrifices made by our freedom fighters and late soldiers to liberate India from 200 years of British rule and turn it into the biggest vote-based system across the globe.

"Happy Independence Day! May we always have the courage to stand up for what's right. Let's celebrate the freedom that we enjoy today by remembering the heroes who made it possible. On this Independence Day, let's commit to building a better, stronger, and more united nation."

 हर नीत आपकी है ए दोस्त,
 बस अपने लक्ष्य को अपनी निगाहों में रखो!!
 खाकर ठेकर जमाने की, फिर बोट आर मँखाने में,
 मुझे देख कर मेरे गम खौले बडी देर बगा दी आने
 मुश्किल इस दुनिया में कुछ भी नहीं,
 फिर भी लोग इशकै तोड देते हैं,
 अगर दिल मैं हो कुछ करने की चाहत,
 तो सितारे भी अपनी जगह छोड देते हैं।
